

## Low Fat

For those looking to cut a little fat from their diet, check out our list of low-fat products. Each one has 3 grams or less of fat per serving. Want more help finding foods that may be a Better Choice for you? Look for our Better Choice shelf tags throughout your neighborhood store, little shortcuts to help you spot the products that have more of the nutrients you need, like fiber, and less of the things you don't need, like saturated fat, or added sodium, or added sugar. Information provided below is for the product as purchased. Nutritionals may change for some items once prepared if other ingredients are added.
